Any capitalized term used but not defined herein shall have the meaning given to it in the Membership Agreement.

In order to induce each other to enter into the Agreement, in consideration of the mutual promises and undertakings set forth in the Membership Agreement and these Terms and for other valuable consideration, receipt and sufficiency of which are hereby acknowledged by the Parties, and intending to be legally bound, the Parties hereby mutually agree as follows:

1. Program Services.

- (a) Physician agrees to provide to Program Member certain enhancements and amenities to professional medical services to be rendered by Physician to Program Member, as further described in Section 1 to these Terms. Upon prior written notice to Program Member, Physician may add or modify the Program Services set forth in Section 1, as reasonably necessary, and subject to such additional fees and/or terms and conditions as may be reasonably necessary.
- (b) Program Member acknowledges that the Program Services are services that are not covered services under any insurance contract to which Program Member may be a party, including, without limitation, Medicare, and are not reimbursable by Program Member's insurer, health plan or any governmental entity, including Medicare. Program Member agrees to bear sole financial responsibility for the Membership Fee and agrees not to submit to Program Member's insurer, health plan or governmental entity any bill, invoice or claim for payment or reimbursement of such Membership Fee.
- (c) Physician will separately charge Program Member or Program Member's insurer, health plan or governmental entity for medical, clinical, diagnostic or therapeutic services rendered by Physician to Program Member, and Program Member may seek payment or reimbursement from Program Member's insurer or health plan for any such service to the extent covered by Program Member's insurer, health plan or governmental entity.
- (d) Program Member understands, agrees and covenants that this Agreement is a service contract, and not a contract for insurance.

2. Designated Physician. Program Member understands and acknowledges that Physician may not be available from time to time and may designate a covering physician or other licensed medical professional familiar with Program Member's medical history and course of care to attend to Program Member's medical care needs from time to time. The term "Physician," as used throughout these Terms and in the Membership Agreement, covers the licensed individual designated as the Physician herein and such other practitioner as may be designated parties in Physician's absence.

3. Term. Unless earlier terminated as set forth in Section 6 (below), the initial term of the Agreement shall be for one year, commencing on the effective date of the Membership Agreement (the "Effective Date") and terminating on the day following the first anniversary of the Effective Date (the "Initial Year"). Thereafter, the Agreement shall automatically renew for successive one-year periods (each, a "Renewal Year"), unless either party notifies the other party in writing, not less than 30 days prior to the expiration of the Initial Year or the Renewal Year, as applicable, of such party's decision not to renew the Agreement.

4. Membership Fee. Program Member agrees to and shall pay the Membership Fee as provided in the Membership Agreement. Unless this Agreement is not renewed, as provided in Section 3 (above), subsequently, the Program Member will be billed for the Membership Fee for each Renewal Year prior to the beginning of each Renewal Year, and the Program Member agrees to pay the invoiced Membership Fee within 30 days after the date of the invoice. In order to facilitate the administration of the Concierge Practice and the Program Services, Physician hereby appoints Signature MD, Inc. to perform all billing and collections functions associated with the Membership Fee (but not for medical services covered under any insurance contract, including Medicare).  - (iv) When responding to an e-mail from the Physician or Physician's staff or representative, Program Member will use "Reply with History" to ensure that the recipient is aware of the previous communication; and
 - (v) Neither Physician nor any of Physician's agents, consultants or representatives will be liable to Program Member for any loss, damage, cost, injury or expense caused by, or resulting from: (i) a delay in response to Program Member due to technical failures, including, but not limited to, technical failures attributable to internet service provider, power outages, failure of electronic messaging software, failure by Physician, or any of Physician's agents, consultants or representatives to properly address e-mail messages, failure of computers or computer network, or faulty telephone or cable data transmission; (ii) any interception of e-mail communications by a third party; or (iii) Program Member's failure to comply with the guidelines regarding use of e-mail communications set forth in this Section 5.

8. Independent Medical Judgment. Notwithstanding anything to the contrary contained in this Agreement or in the SignatureMD Agreement, Physician retains full and free discretion to, and shall, exercise his/her professional medical judgment on behalf of Program Member with respect to medical services rendered to Program Member, and nothing in this Agreement shall be deemed or construed to influence, limit or affect the Physician's independent medical judgment with respect to Physician's provision of medical services to Program Member and Program Member's medical treatment.

9. Change of Law. If there is a change in any state or federal law, regulation or rule or interpretation thereof, which affects this Agreement or the activities of either party under this Agreement, and either party reasonably believes in good faith that the change will have a substantial adverse effect on that party's rights or obligations under this Agreement, then that party may, upon written notice, require the other party to enter into good faith negotiations to renegotiate the terms of this Agreement. If the parties are unable to reach an agreement concerning the modification of this Agreement within thirty (30) days after the date of the notice seeking renegotiation, then either party may terminate this Agreement by written notice to the other party.

10. Governing Law; Arbitration. In no event any party will be liable for any indirect, consequential, special or punitive damages of any kind, whether arising in contract, tort, strict liability or otherwise, to the full extent permitted by the applicable law.

12. Waiver. The failure of a party to insist upon strict adherence to or performance of any term of the Agreement on any occasion will not be considered a waiver of the right to require adherence on any other occasion or regarding any other matter.

13. Severability. If any provision of the Agreement is declared invalid or illegal for any reason whatsoever, then notwithstanding such invalidity or illegality, the remaining terms and provisions of the Agreement will remain in full force and effect in the same manner as if the invalid or illegal provision had not been contained herein.
